

RE: Application for Access Approach Permit

In response to your request, we are enclosing an "Application for Access Approach Permit", which you must complete.

On the back side of the application, please sketch your property and the present and proposed approaches. Please be neat and complete showing distances, as close as possible, from land corners, intersections of highways, etc.

Please mark the exact location on the ground with a lath and attach flag where you want the proposed approach so it will be easy to locate.

The landowner will be required to submit a processing fee in the amount of \$100 with the permit application. The application must also be accompanied by a separate \$100 assurance deposit in the form of a cashier's check, money order, or other bank draft made payable to Hobart Township.

The Supervisors will then investigate the location within ten (10) working days of receipt of the application and if found to be satisfactory, the permit will be granted. The requesting landowner will be required to pay for the required culvert. You will be responsible for all backfilling, placing topsoil and seeding of all raw slopes and placing of granular surfacing material at your own expense, upon approval.

Secondary access approaches may be allowed within a reasonable distance from primary access approaches, based on each individual circumstance with regards for new building construction, handicap access and other reasonable situations.

The deposit will be for the assurance that the access approach will be installed and completed in conformance with the permit, sketches and other requirements. A one year time frame will be allowed for completion. The deposit will be refunded upon the completion of work to the satisfaction of the Township. Additional inspections will be deducted from the assurance deposit and the Township reserves the right to cause the uncompleted work to be preformed and the costs shall be charged to the landowner.

## ACCESS APPROACH POLICY

### I. SCOPE

This policy applies to access approaches abutting all Township roads under the jurisdiction of Hobart Township.

### II. GENERAL

One (1) access approach shall be granted to each parcel of abutting property upon submission and approval of a permit application. The final location of the access approach will be at the discretion of the Hobart Township Supervisors or their representative with consideration given to traffic safety parameters, location of nearby intersections, prevailing traffic patterns, size and shape of the land tract and building locations.

The requesting landowner will be required to pay for the required culvert for a standard access approach width and required in slopes. Standard access approaches shall have finished widths as follows:

Field Approach	20 feet maximum / 16 feet minimum
Private Drive	24 feet maximum / 16 feet minimum
Business Approach	30 feet maximum / 24 feet minimum

The cost of constructing the access approach shall be the responsibility of the requesting landowner. Wider approaches may be allowed at the discretion of the Town Supervisors.

Secondary access approaches may be allowed within a reasonable distance of the primary access approach based on each individual circumstance with regards for new building construction, handicap access, and other reasonable situations. Field access approaches will be allowed for each separate parcel of land

### III. PERMIT

Prior to any work being performed on the access approach, a permit must be secured. **IN ORDER FOR THE PERMIT TO BE VALID, IT SHALL BE SIGNED BY THE REQUESTING LANDOWNER AND APPROVED BY AN AUTHORIZED REPRESENTATIVE OF THE HOBART TOWNSHIP BOARD.**

The permit application shall include a pertinent information required on the form. Prior to issuance of the permit, sketches will be checked and a field inspection will be required.

Upon completion of the installation, entirely in conformance with the permit and policy, a "Certificate of Completion" must be sent to the Township Clerk, notifying that the work is ready for final inspection. The work shall be accomplished in a manner that will

not be detrimental to the town road and that will safeguard the public.

#### IV. FEES

The requesting landowner shall be required to submit a non-fundable permit fee in the amount of \$100.00 with the application. This can be in the form of a personal check or cash. The application shall also be accompanied by a separate \$100.00 deposit in the form of a cashier's check, money order, or other bank draft made payable to Hobart Township. NO personal checks will be accepted for the assurance deposit. The deposit shall be for the assurance that the access approach will be installed and completed in conformance with the permit, sketches, and other requirements. A period of one (1) year will be allowed for the work to be completed in compliance with all things previously named. If there is failure to complete the work in a satisfactory period of time, the \$100.00 deposit will be forfeited.

Upon completion of the work, receipt of the "Certificate of Completion" by the Town Clerk, and a satisfactory final inspection, the \$100.00 deposit shall be returned in its original form. Additional inspections shall be charged the nominal fee of \$25.00 and deducted from the deposit.

Hobart Township reserved the right to cause the uncompleted work to be performed and costs shall be deducted from the deposit with any remainder to be the responsibility of the landowner.

#### V. INSPECTION

The items that will be inspection upon the request for final inspection are as follows:

1. Proper culvert installation
2. Proper fill material and surfacing
3. Proper slope from edge of surface to end of culvert as required by pre-inspection.
4. Establishment of seed or sod to prevent erosion
5. Removal of excessive debris, rock, limbs, etc.

As previously stated, if all requirements are not met upon inspection, \$25.00 will be withheld from the initial deposit for each inspection trip made. If necessary, the landowner may be required to pay for additional inspection trips.

#### VI. UNAUTHORIZED ACCESS APPROACHES

Any approach found to be placed adjacent to a Township Road without a valid permit will be accessed all permit fees and subject to inspection by a representative of Hobart Township. Should the access approach be found deficient in the required width and elevation, determined that it will alter drainage in the Township road right-of-way, placed in such a manner that the sight distance of the oncoming traffic may create a safety hazard, or have been built using substandard or no drainage culvert, the landowner will

be required to remove the approach or correct the deficiency at the landowner's expense within the time period of one (1) month from the time of inspection as well as submit the required approach permit fees. Any unauthorized approach found to be deficient and requiring removal will not be allowed to be utilized from the time forward until property corrected. If the landowner does not comply with the requirements stated within this policy the Township Supervisors will cause the approach to be corrected and the landowner will be responsible for the entire cost billed from the Township Clerk.

## VII. ADOPTION

This policy shall be in effect by Township resolution and may be amended from time to time as may be necessary.
